Mr. Carl J. Otto, President
Missouri Merchants Company
Washington, Missouri

Dear Mr. Otto:

Upon returning to my office from a trip abroad,
your letter of 4 June and the set of "coin notes"
were brought to my attention.

It was very thoughtful of you to send me these
excellent pipes and I want you to know how much I
appreciate your remembering me in this way. I also
appreciate the kind comment that you made about me
and the work performed by the Central Intelligence
Agency.

Once again, many thanks and with kindest
regards.

Sincerely,

Allen W. Dulles
Director
